Updated Electronic Visit Verification for In Lieu of Services

Effective with dates of service on and after January 1, 2025, the following changes have been made for In Lieu of Services (ILOS) that require Electronic Visit Verification (EVV):

- Code T1001 will be removed, and T1000-TD added to the ILOS list.

Below is the complete list of ILOS codes:

97535	97537	S5135	S5190	T1000
T1000-TD	T1019			

Note: The effective date of the policy is January 1, 2025. The implementation of State policy by the KanCare Managed Care Organizations (MCOs) may vary from the date noted in the KMAP bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates once the policy is implemented.
