

KMAP GENERAL BULLETIN 18136

Rate Increase for LARCs

Effective with dates of service on and after June 27, 2018, retroactive to dates of service on and after June 1, 2018, reimbursement rates for the following long-acting reversible contraceptives (LARCs), both intrauterine devices (IUDs) and implants, increased:

J7300: for ParaGard®

J7301: for Skyla®

J7307: for Nexplanon®

Note: The effective date of the policy is June 27, 2018. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates, once the policy is implemented.
