

KMAP GENERAL BULLETIN 19019

UPDATED KanCare Paper Claims and MCO Checks

KANCARE TRANSITION FROM AETNA TO HEALTHY BLUE
With the transition from Aetna Better Health of Kansas to Healthy Blue, the *MCO & Subcontractor Addresses* chart for KanCare paper claims is being updated.

KANCARE PAPER CLAIMS

In addition to electronically submitted KanCare claims, the Managed Care Organizations (MCOs) and their subcontractors have the ability to process paper KanCare claims.

Providers must submit all paper KanCare claims to the appropriate MCO/subcontractor. Providers can refer to the MCO and vendor addresses outlined in the *MCO & Subcontractor Addresses for Paper Claims* chart on Page 5. Kansas Medical Assistance Program (KMAP) does not accept paper KanCare claims for processing through front-end billing (FEB).

REMINDER

If the outside of the envelope or the claim has a KanCare MCO or KanCare MCO subcontractor listed, the claim will be returned to the provider requesting the claim be submitted to the appropriate MCO/subcontractor.

If the outside of the envelope or the claim has KMAP, Kansas Medicaid, State of Kansas, any combination of those, or is blank, the claim will be scanned into KMAP as a fee-for-service (FFS) claim.

If the payer cannot be determined, the claim will be returned to the provider.

For more information regarding KanCare paper claims, providers can reference General Bulletins [15026](#) and [15038](#) on the [Bulletins](#) page of the KMAP website.
