UPDATED - Expansion of Telemedicine Services Allowed by ECI and LEA Providers During COVID-19 Emergency

Effective with dates of service on or after March 12, 2020, the following codes will be allowed for payment when provided over the telephone or via telemedicine for Early Childhood Intervention (ECI) and Local Education Agency (LEA) providers. These codes are currently covered for ECI and LEA providers when provided face-to-face. This policy does not change or modify the current coverage but allows for an additional delivery method. Audiology and Speech Language Pathology will continue to be allowed to be provided via telemedicine and is not changed with this policy. Reimbursement will be the same as a face-to-face visit. Existing National Correct Coding Initiative (NCCI) edits/limitations will remain in place and are not waived with this policy.

Services provided by telemedicine/telephone will need to be billed with POS code 02.
