## **Midwife Billing for Newborn Home Visits**

Effective with dates of service on and after June 1, 2020, midwives may bill for newborn home visits. The billing code is 99502 (Home Visit Newborn Care and Assessment). The conditions/payment for billing newborn services, as outlined in KMAP general bulletin 16054, continue to be in effect.

**Note:** The effective date of the policy is June 1, 2020. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The KanCare Open Claims Resolution Log on the KMAP Bulletins page documents the MCO system status for policy implementation and any associated reprocessing completion dates, once the policy is implemented.
