## KMAP HOSPITAL BULLETIN 20108

### Update to DRG Grouper Version 37

Effective with processing date on and after May 15, 2020, the revised Medicare Severity Diagnosis-Related Group (MS-DRG) Grouper version 37, including new ICD-10-CM codes U07.0 and U07.1, will be installed and ready to use for claims with a discharge date on and after April 1, 2020.

**Note:** The effective date of the policy is May 15, 2020. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The KanCare Open Claims Resolution Log on the KMAP Bulletins page documents the MCO system status for policy implementation and any associated reprocessing completion dates, once the policy is implemented.
