KMAP Provider Enrollment System Upgrade

The Kansas Medical Assistance Program (KMAP) will implement the next phase of the Kansas Modular Management System (KMMS) [Provider Enrollment Wizard](#) beginning on May 22, 2020.

During this implementation, there will be two periods when providers will not be able to submit or work on an application or revalidation. These times are needed to allow for the upgrade of the current system. The following chart outlines the key dates and timeframes for each activity and the associated impacts:

Key Dates	Activity	Associated Impact
May 22, 2020	Provider Enrollment Wizard unavailable starting at 4:00 p.m. on May 22, 2020	The Provider Enrollment Wizard will be unavailable for providers to access.
May 26, 2020	Provider Enrollment Wizard available starting at 8:00 a.m. on May 26, 2020	Providers can begin using the updated Provider Enrollment Wizard for applications and revalidations.
May 29, 2020	Provider Enrollment Wizard unavailable starting at 4:00 p.m. on May 29, 2020	The Provider Enrollment Wizard will be unavailable for providers to access.
June 1, 2020	Provider Enrollment Wizard available starting at 8:00 a.m. on June 1, 2020.	Providers can begin using the updated Provider Enrollment Wizard for applications and revalidations.

Applications started must be saved if started prior to the system becoming unavailable. Applications will be unavailable during the upgrade however; they will be accessible to resume and submit upon completion of the system upgrades.
