This applies to the following HCPCS codes for enteral formulas:

B4155	B4157	B4158	B4159	B4160	B4161	B4162

Note: The effective date of the policy is September 1, 2020. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The KanCare Open Claims Resolution Log on the KMAP Bulletins page documents the MCO system status for policy implementation and any associated reprocessing completion dates, once the policy is implemented.
