## **OneCare Kansas Health Action Plan Bonus Clarification**

Effective with dates of service retroactive to April 1, 2020, OneCare Kansas (OCK) partners will receive a one-time bonus payment for completion of the Health Action Plan (HAP) during the first 90 days of member enrollment in the OCK program. If an OCK member is treated in an institution during this initial 90 days, such as an acute hospitalization (medical or psychiatric) or receive treatment in a Psychiatric Residential Treatment Facility (PRTF), the 90-day clock for the HAP bonus will restart.

*Note:* The effective date of the policy is March 12, 2020. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The KanCare Open Claims Resolution Log on the KMAP Bulletins page documents the MCO system status for policy implementation and any associated reprocessing completion dates, once the policy is implemented.
