KMAP GENERAL BULLETIN 20227

REMINDER - Blanket Denial Letter Attestation

As a reminder, if a provider cannot receive a denial letter from a primary insurance carrier because the provider does not meet the credentialing requirements of the primary carrier, then that provider is excused from the requirement of obtaining a blanket denial from the other insurance carrier. However, the provider must attest that it does not meet the credentialing requirements of the other insurance carrier. The attestation must be:

- In letter format
- Signed by the provider
- Available upon request (including any documentation received from the primary carrier)
