Effective with dates of service retroactive to January 1, 2019, Durable Medical Equipment (DME) providers with provider type and specialty code of 25/250 may supply prefabricated, off-the-shelf orthotic products. Check the DME manual on the Kansas Medical Assistance Program (KMAP) website for the applicable Healthcare Common Procedure Coding System (HCPCS) codes.

Note: The effective date of the policy is January 1, 2019. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The KanCare Open Claims Resolution Log on the KMAP Bulletins page documents the MCO system status for policy implementation and any associated reprocessing completion dates, once the policy is implemented.
