3. The applicant should also demonstrate to KDADS of successful completion of an initial competency assessment.
4. Additionally, the individual must have a clean background, as evidenced through background checks of records maintained by the Kansas Bureau of Investigation (KBI), Adult Protective Services (APS), Child Protective Services (CPS), Nurse Aide Registry, and Motor Vehicle screen.

Individuals who have met the requirements to be enrolled as a CCTS provider are deemed to have met the requirements to enroll as an IIS provider but would need to specifically request enrollment as an IIS worker.

Additional Provider Enrollment Information:

Note: KMAP providers currently enrolled for CCTS and/or IIS services are not required to re-enroll.

Note: The effective date of the policy is April 3, 2020.

The implementation of State policy by the KanCare Managed Care Organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates, once the policy is implemented.
