

SEPTEMBER 2021

KMAP GENERAL BULLETIN 21186

Addendum to Rate Increase for COVID-19 Vaccine Administration in the Home

Effective with dates of service on and after August 24, 2021, COVID-19 vaccines will be reimbursed at \$75 per dose, for a maximum of 5 vaccine administration services per home unit or communal space within a single group living location. Vaccines are only covered when fewer than 10 patients receive a dose on the same day, at the same living location.

COVID-19 vaccine administration codes currently covered by KMAP are as follows:

Table with 6 columns: 0001A, 0002A, 0003A, 0011A, 0012A, 0013A and a second row with 0031A.

Note: The effective date of the policy is August 24, 2021. The implementation of State policy by the KanCare Managed Care Organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The KanCare Open Claims Resolution Log on the KMAP Bulletins page documents the MCO system status for policy implementation and any associated reprocessing completion dates, once the policy is implemented.
