KMAP INDIAN HEALTH SERVICES BULLETIN 21206

Designation of Indian Health Centers as Tribal Facilities as Federally Qualified Health Centers (TFQHCs)

Effective November 1, 2021, tribal health care facilities enrolled in Kansas Medicaid as clinics may continue to bill for off-site services as clinic services and be reimbursed at their facility rate until nine months after the end of the COVID-19 public health emergency.

Note: The effective date of the policy is November 1, 2021. The implementation of State policy by the KanCare Managed Care Organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates, once the policy is implemented.
