

JUNE 2022

## KMAP HOSPITAL BULLETIN 22109

### MS-DRG Revision Update

Effective with processing dates on and after June 10, 2022, the revised Medicare Severity Diagnosis-Related Group (MS-DRG) Grouper version 39, will be installed and ready to use for fee-for-service (FFS) claims with discharge dates on and after April 1, 2022. The Managed Care Organizations previously installed this grouper on April 1, 2022.

The Neonatal MS-DRG Flowchart can be found [here](#).
