## KMAP GENERAL BULLETIN 22116

### Addition of Autism Waiver Self-Directed Respite Services

Effective with dates of service on and after July 1, 2022, families will have the option of Autism Waiver self-direct Respite Services (T1005). The rate for this service will be \$2.93 per unit. Modifier U6 must be attached to the claim to differentiate between self-directed and agency-directed Respite Services.

Self-directed services will require the use of Financial Management Services (FMS) utilizing the T2040 U2 code for reimbursement.

**Note:** The effective date of the policy is July 1, 2022. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates once the policy is implemented.
