**KMAP GENERAL BULLETIN 24097**

## **CCBHC Specialty Designation for PPS - Service Code Additions - Supported Housing**

Effective with dates of service on and after June 1, 2024, the Supported Housing Services - Operation Community Integration (OCI) - Intensive Community Integration (ICI) Support Services (H0037) will be added as a Certified Community Behavior Health Clinic (CCBHC) service and will trigger the Prospective Payment System (PPS) for payment. The existing OCI policy processes will remain the same. For additional/specific criteria and coding, reference the *Mental Health Fee-for-Service Provider Manual* on the Provider Manuals page on the Kansas Medical Assistance Program (KMAP) website.

ICI Support Services provided by Community Mental Health Centers (CMHCs) that are not designated as CCBHCs shall continue to be reimbursed at the Fee-for-Service (FFS) per diem rate for service H0037 when submitted under the CMHC National Provider Identifier (NPI).

**Note:** The effective date of the policy is June 1, 2024. The implementation of State policy by the KanCare Managed Care Organizations (MCOs) may vary from the date noted in the KMAP bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates once the policy is implemented.
