

JUNE 2024

KMAP GENERAL BULLETIN 24108

KBH-EPSTD Blood Lead Screening Questionnaire Form

Effective with dates of service on and after August 1, 2024, the Blood Lead Screening Questionnaire Form for Kan Be Healthy (KBH)-Early Periodic Screening, Diagnostic, and Treatment (EPSTD) members, located on the [Forms](#) page of the Kansas Medical Assistance Program (KMAP), will be updated.

The revised form will match the current Blood Lead Screening Questionnaire Form developed by the Kansas Department of Health and Environment's (KDHE's) Bureau of Epidemiology and Public Health Informatics.

Note: The effective date of the policy is August 1, 2024. The implementation of State policy by the KanCare managed care organizations (MCOs) may vary from the date noted in the KMAP bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates once the policy is implemented.
