## KMAP GENERAL BULLETIN 24140

### Upcoming EVV Town Hall Meetings

Effective December 3, 2023, the Electronic Visit Verification (EVV) requirement, which is currently used for Home and Community-Based Personal Care Services (HCBS-PCS), has been expanded to include Home Health Care Services (HHCS) for home health visits. The State of Kansas will continue to offer a free EVV application to providers and caregivers. The state also offers a providers' choice model, allowing authorized third-party EVV applications.

The Kansas Department of Health and Environment (KDHE) invites providers to attend its virtual monthly EVV Town Halls to learn more and ask questions to subject-matter experts.
