## **KMAP Paper Check Separate Mailing**

Paper check payments for the Kansas Medical Assistance Program (KMAP) Fee-for-Service (FFS) Remittance Advice (RA) dated September 5, 2024, will be mailed separately from the RA.

Mechanical issues have resulted in a delay with printing hard copy RAs. RAs will be mailed as soon as possible.

There is no delay for electronic funds transfers (EFTs). EFT payments will post to accounts as scheduled Friday, September 6, 2024.

RAs are available for review through the KMAP Provider Secure Portal.

We apologize for the inconvenience caused by this delay.
