

DECEMBER 2024

**KMAP GENERAL BULLETIN 24239**

## **Individual within a Group Provider Enrollment**

Effective January 1, 2025, the Kansas Medical Assistance Program (KMAP) requires that all providers requesting payment to a Business Tax ID Number (TIN) that is shared with other individuals, must be enrolled as an Individual within a Group (IG). Providers must also be associated with a Group utilizing a Type 2 National Provider Identifier (NPI).

This requirement is excluded for Federally Qualified Health Center (FQHC), Rural Health Clinic (RHC) and Indian Health Center (IHC) enrollments that are not enrolled as a Group.

**Note:** The effective date of the policy is January 1, 2025. The implementation of State policy by the KanCare MCOs may vary from the date noted in the bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates once the policy is implemented.
