KMAP GENERAL BULLETIN 25255

Revision NCCI/PTP OPH/PRA Editing – October 2025

Effective retroactive to service date July 1, 2025, additions, revisions, and deletions related to fourth quarter 2025 National Correct Coding Initiative (NCCI) will be made according to the Medicaid revised NCCI Procedure to Procedure (PTP) outpatient (OPH) and practitioner (PRA) files. Reference the [NCCI page](#) on the Medicaid website for additional information.

The PTP edit for Column One code 90480 and Column Two codes G0008, G0009 and G0010, that was added effective July 1, 2025, was withdrawn by CMS on October 14, 2025, retroactive to July 1, 2025. Claims for date of service July 1, 2025, and after that denied for this PTP edit will be reprocessed.

Note: The effective date of the policy is July 1, 2025. The implementation of State policy by the KanCare Managed Care Organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates once the policy is implemented.
