

JUNE 2022

KMAP GENERAL BULLETIN 22020

**UPDATED - Reminder - 340B Provider
Claim Identification and Drug Rebate
Invoicing Process Update**

The new effective dates for the provider identification and the associated Health Resources and Services Administration (HRSA) Medicaid Exclusion File (MEF) listing are as follows:

Effective July 1, 2021, and enforced with the HRSA MEF starting **October 1, 2022**, Kansas Medicaid will identify, and invoice for rebate claims as directed by the guidance given in [General Bulletin 21138](#). HRSA MEF entries that do not meet Kansas Medicaid policy requirements will be included for drug rebate invoicing and claims will be required to have the National Drug Code (NDC) information submitted to be considered for payment.

All other information and requirements listed in General Bulletin 21138 will remain in effect.

Note: The effective date of the policy is July 1, 2021. The implementation of State policy by the KanCare Managed Care Organizations (MCOs) may vary from the date noted in the Kansas Medical Assistance Program (KMAP) bulletins. The **KanCare Open Claims Resolution Log** on the KMAP [Bulletins](#) page documents the MCO system status for policy implementation and any associated reprocessing completion dates once the policy is implemented.
